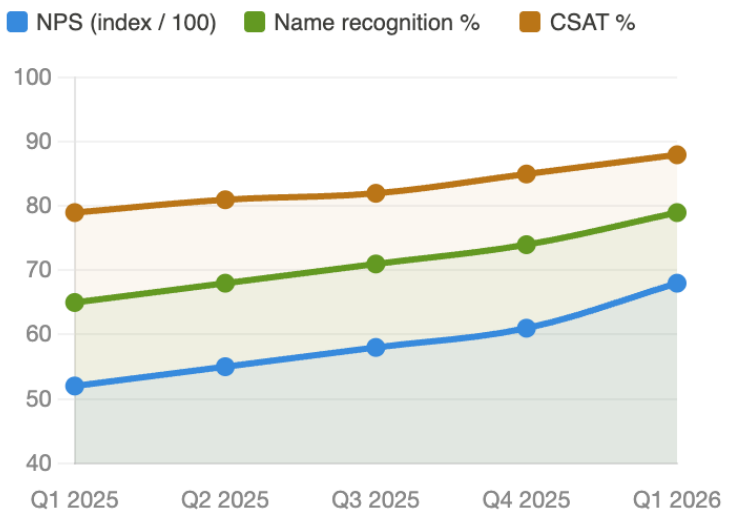
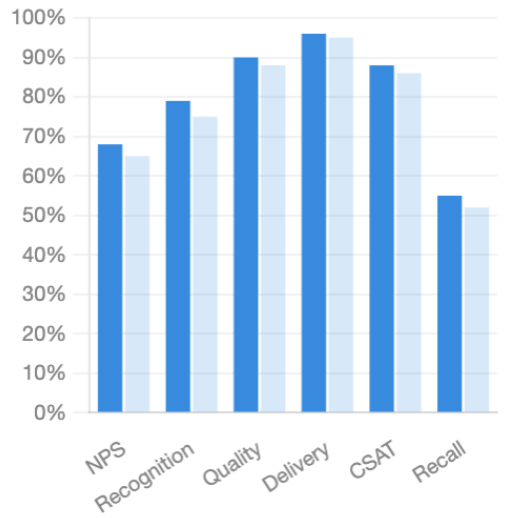
Brand metrics — quarterly trend (Q1 2025 → Q1 2026)



Q1 2026 — actual vs target



NPS all-time high
Reached 68 in Q1 2026, up 7 pts. Customers cite product consistency and delivery reliability.

Brand recall crosses target
55% recognition in target industrial segment — first time exceeding the 52% benchmark. Driven by sample program expansion.

On-time delivery: 96%
Exceeds 95% target. Every shipment on time reinforces the Resolv reliability promise and reduces competitive vulnerability.
